Duke Street Church: Who we are.

We have a rich history spanning over 100 years since it first opened its doors in June 1906. The original church building, to the side of the foyer, features a stunning coloured-glass arch window that once framed the front doors.

In February 2012, we opened our new church building, and launched the Coffee Tree café in May of that year. The café is operated by dedicated volunteers from our church community and beyond, all of whom generously contribute their time to serve our wonderful community in Sutton Coldfield.

We are a family-friendly evangelical church that values a relationship with God and a personal faith in Jesus Christ. Our mission is to share the love of God as we create a warm and welcoming environment where everyone feels accepted and included.

Our church service is at 10.30am each Sunday.
